Hello new CVCRS member!

Here's a little background about us.

A few years ago three friends (Ron McKenzie, Karl Dalskog and Brian Simpson) were sitting around the kitchen table enjoying a cup of tea. The conversation turned to "What this place really needs is a Radio Station" and the seed was planted.

On March 15 2006, the Cowichan Valley Community Radio Society was incorporated as a BC Not for Profit Society.

The main purpose of CVCRS is to operate Radio Station CICV 97.5 Mhz. FM, in accordance with the rules and regulations set by the Federal broadcast regulating authority, The Canadian Radio and Television Commission.

All station activities will be driven by our Mission Statement "***To deliver timely, relevant and engaging programs to the Cowichan Valley***".

Your membership helps fund our station and entitles you to vote at the AGM to help guide us into the future.

All members are invited to increase your participation level by volunteering for active involvement in the day to day running of the station. The many "off air" and "on air" positions are listed on the attached application form.

Again, welcome to your new experience in Community Radio!
